About

Master's student in Control Systems Engineering specializing in Machine Learning, with a strong background in Industrial Engineering, Instrumentation, Automation, IoT, and Project Management. Passionate about machine learning, AI, computer vision, robotics, and intelligent control systems. Highly motivated, quick to learn, and eager to apply engineering and data-driven problem-solving skills in a Machine Learning.

Professional Skill

- | | | | |
|--------------------|--------------------|-------------------|---------------------|

| • Arduino | • Simulink | • Problem solving | • Leadership |

Education

Mater of Science in Control Systems Engineering (Reading)

25/26 | University of Padua | Department of Information Engineering

- Specialize In Machine Learning

Bachelor of Engineering Technology (Hons) in Instrumentation and Automation

2023 | University of Colombo | Faculty of Technology

- Specialize In Instrumentation and Automation Technology

Advanced Certificate In PLC Programming And Automation

2022 | Sri Lanka Institute of Robotics (SLIR)

- Specialize In Industrial Automation, PLC Programming, HMI Programming And SCADA Systems & Application

Work Experience

Industrial Engineer (June 2024 - present)

Mas Active (Pvt) Ltd.

Intern- Product Engineering Centre (Dec 2023 - June 2024)

MAS Design Studio - Mas Intimates

- Involved Automation projects are Automatic Mono wire inserting mechanism, Back rise feeding conveyor unit.

Trainee Automation Engineer (June 2022 - November 2022)

Atlas Axillia Co. (Pvt) Ltd.

- Involved Automation projects are Gel pen sticker pasting machine, Six Inches Ruler printing machine and Color pen packing Automation machine.

Extra Curricular Activities

Organizer of Gavel Club

University of Colombo Faculty of Technology

Secretary of innovation Club

University of Colombo Faculty of Technology

Team member of Colombo Beacon Club

University of Colombo Faculty of Technology

Played School Cricket team U13,U15

All saints College . Galle

Member of Western band

All saints College . Galle

Played Faculty Cricket Team

University of Colombo Faculty of Technology

Projects

An Autonomous Robot System To Detect Plant Diseases

- Design and Fabricate Autonomous navigation Robot by Raspberry and The Plant disease Classified by using deep learning model.
(University of Colombo - Final year project)

"6" inches Ruler Printing Machine

- Design And fabricate of 6 inches Ruler printing machine Moulding Plates and Suction mechanism. That mechanism increase production to twice.
(Atlas Axillia Co. (Pvt) Ltd)

Gel pen Sticker Pasting Unit

- Design and fabricate Gel pen machine Sticker pasting mechanism.
(Atlas Axillia Co. (Pvt) Ltd)

Color Pen Packing Machine

- Design and fabricate Color pen packing machine to pack the Set of Color pen into packing box. Calibrate the Color Pen Hopper dropping procedure and reduce the unwanted spaces in machine.
(Atlas Axillia Co. (Pvt) Ltd)

Arduino Pebble Sorting Machine

- Design and fabricate the pebble sorting machine by using pebble colour. That machine sort pebbles into five colors by using Color detecting sensor. That sensor made by using Pixel led and LDR
(University of Colombo - Second year Hardware mini project)

Android Patient Tracker

- Develop and Implement Android Application for get information from patient and give advice from health care workers to their patient.
(University of Colombo - Second year Software mini project)

Automatic Thin Rope Folding Device

- Setup the locker loop attaching device to SIRUBA overlock machine
(Mas Design Studio)

Back Rise Feeding Device

- Develop Conveyor Mechanism to feeding garment
(Mas Design Studio)

Licenses & Certifications

Google Project Management - Professional Certificate

GSD Familiarization - MAS Active

Lean Six Sigma White Belt - The Council for Six Sigma Certification (CSSC)

AI/ML Engineer Stage 1 - Sri Lanka Institute of Information Technology

AI/ML Engineer Stage 2 - Sri Lanka Institute of Information Technology

Python for Data Science , AI & Development - Coursera

Foundations of Project Management - University of Moratuwa

Introduction to Data Science - Cisco Networking Academy

Introduction to IOT - Cisco Networking Academy

Python for Beginners - University of Moratuwa
